

ANVERS

2009 The Warrior Shiraz

Since 2001 The Anvers Warrior Shiraz, has achieved widespread critical acclaim. The 2009 being no different with James Halliday awarding 95 points out of 100 and three international wine show gold medals.

As Anvers prestige cuvée, The Warrior uses our best parcels of Shiraz selected from vintage 2009. These wines were matured for 21 months in oak, at which point the best balance of oak, fruit, tannin and structure was achieved. From these Reserve parcels a further selection process is made to assemble the components into a final wine that provides a combination of flavour intensity with structure and grace.

Tasting Notes

Vibrant crimson red in colour. Fragrant aromas of blueberry fruit with hints of black pepper and spice. On the palate the berry fruit and spice flavours are knitted into a seamlessly textured palate, with silky texture and well-structured tannins. A powerful yet elegant wine, with a long and persistent finish.
