

2002 Shiraz Cabernet Sauvignon

Newly released for 2003 is our Shiraz Cabernet Sauvignon blend. The wine contains Cabernet Sauvignon (48%) and Shiraz (21%) from our Adelaide Hills Estate vineyard, with additional McLaren Vale Shiraz (31%) providing texture and fleshiness to the mid palate. Twelve months spent in French and American oak barriques has imparted delicious toast and cedar nuances on the palate.

Tasting Notes

Deep red in colour, the vibrant aromas show nuances of forest fruit confiture and cassis wrapped up in mocha and toast. A full-bodied wine with an ample weight of berry fruits, coffee and elegant spice, displays a solid structure and firm tannin backbone ending with long persistence. Best from 2004 to 2008.

Bottling Date: April 2003

Production: 896 cases
