

2016 Brabo Shiraz

The winemaking style for the Brabo range is focused on producing softer, more approachable wines that can be enjoyed in their youth. Grapes sourced from premium regions of South Australia provide a delightful freshness of fruit and considerable balance.

Tasting Notes

With a bouquet of forest fruits and hints of black pepper and fragrant spices, this wine offers a subtle mid palate with great depth of spicy black fruits and flavours of ripe plum and black current characters that align perfectly with its subtle spiciness and long refined finish. To be enjoyed anytime.
