

ANVERS

2016 Brabo Cabernet Sauvignon

The winemaking style for the Brabo range is focused on producing softer, more approachable wines that can be enjoyed in their youth. Grapes sourced from premium regions of South Australia provide a delightful freshness of fruit. The 2016 Brabo Cabernet Sauvignon provides an everyday drinking alternative to the Anvers Langhorne Creek Cabernet Sauvignon.

Tasting Notes

The 2016 Brabo Cabernet Sauvignon is dark red in colour with a bouquet of blackcurrant and cinnamon. The palate exhibits berry fruit characters with hints of vanilla. To be enjoyed anytime.
